Dear Dr. Cabrera:

It is a pleasure for me to notify you that the selection committee has named you to receive the ADSA Foundation Scholar Award in Dairy Production. Presentation of this award will be Tuesday, July 12, 2011 during the ADSA Awards Program beginning at 5:00 p.m. at the Marriott New Orleans, in New Orleans, LA.

As the 2011 winner, you and your guest are invited to a dinner on Tuesday evening prior to the awards program. The dinner will be at the Marriott New Orleans, also. Assembly of those attending will be at 5:00 p.m., at which time you will have an opportunity to meet with the donor's representative. Staged photographs of the presentation of the awards administered by ADSA will also be taken at this time.

We will need a high quality, 300 dpi high-resolution photograph of you, as well as a few photos of you at work, in a JPEG or TIF file format, on or before Friday, April 29, 2011. These photos will be used during the awards ceremony as part of a PowerPoint presentation. Please send the photos electronically to carat@assoqh.org. We also need a completed W-9 form. The W-9 form is attached to this e-mail.

Dr. Albert De Vries (devries@ufl.edu), Chairperson of the selection committee, has been asked to prepare a citation to be read prior to the presentation. If you have any biographical material that would be helpful in preparing the citation, please forward this electronically to the chair at your earliest convenience. Additionally, your chair may contact you in order to facilitate the preparation of these citations.

We ask that very limited discussion be held concerning your selection, as we would like to withhold the names of the winners until the first day of the meeting. Names of winners will be posted in the registration area of the convention center.

We look forward to seeing you in New Orleans. Everything you need to know about the Joint Annual Meeting can be found at the website: <http://adsa.asas.org/meetings/2011/>.

Sincerely,

Peter Studney  
ADSA Executive Director
